Spring 2015

Dear Business Student Supporter,

The Future Business Leaders of America-Phi Beta Lambda (FBLA-PBL) organization is dedicated to encourage its members to peruse their future careers through innovating projects, programs, competitions and conferences. The newest addition to the California PBL state chapter, Fresno State FBLA-PBL is seeking your support to help in the beginning stages of the chapter's future successes.

This is an incredible opportunity for both our college students and our local communities to work together. Qualified students will be able to attend leadership conferences and business related competitions with your help and support. In preparing to attend local, state and national competitions, we are looking for mentors and coaches from our business community.

Conferences and competitions are scheduled throughout the school year. Many of our brightest business students need your financial support to help pay registration, travel, and other fees related to the events.

We are seeking donations to help keep our chapter thrive. CA FBLA-PBL is a 501(C)(3) non-profit organization, Tax ID #: **23-7157540**. All donations are tax deductible. All sponsorship levels help to fund local chapter activities and travel awards for state or national conferences.
